What the at-home contact does if a day or two passes without word

1. **Don't panic.** Ship Wi-Fi is patchy. Silence usually means no signal, not an emergency.

-
2. **Call Tina** at Maulsby Travel Co. (910-528-5077). She's hosting the group aboard.
 3. **Call Virgin Voyages Sailor Services** at +1 (954) 488-2955.
 4. **For a real emergency, call the State Department's Overseas Citizens Services.** It's free and runs around the clock.
 5. **To see where the ship is**, use cruisinginthewake.com/tools/ship-tracker.html.

Soli Deo Gloria.
