What the at-home contact does if a check-in is missed

1. **Don't panic.** A missed message isn't, by itself, a sign of trouble.
2. **Wait for the next check-in,** then try phone and messages.
3. **Call NCL's ship number** above. NCL says it's paid by card.
4. **For a real emergency, call the State Department** at +1 (888) 407-4747. US embassy sites say Americans who need help can call it 24/7.
5. **To see where the ship is,** use cruisinginthewake.com/tools/ship-tracker.html.
