What the at-home contact does if a check-in is missed

1. **Don't panic.** A missed message isn't, by itself, a sign of trouble.
2. **Wait for the next check-in,** then try phone and messages.
3. **Ask Tina or Pam.** Tina is the group's booking agent; Pam is on the ship and in the Facebook chat.

4. **Call NCL's ship number** above. NCL says it's paid by card.
5. **For a real emergency, call the State Department** at +1 (888) 407-4747. US embassy sites say Americans who need help can call it 24/7.
6. **To see where the ship is,** use cruisinginthewake.com/tools/ship-tracker.html.

Numbers checked October 2026 on each US embassy's own site, NCL's FAQ, the CIA World Factbook and the UK government's travel advice. Check them again before you go. Soli Deo Gloria.
